

The Power to Get Wealth

HOW TO RECEIVE POWER TO GET WEALTH

It is not news that many people make deals with the devil in order to get wealth. Some people make various forms of rituals; some cheat, steal, and take bribe, thinking they can command the flow of wealth by such ungodly means. The truth is that such wealth doesn't last long. Besides, most people who engage in such act pay with their lives in the process. These acts are unreasonable, ungodly and damnable.

Moreover, this marks the difference between making a deal with God and with the devil. The Bible says, "The blessing of the LORD, it maketh rich, and he addeth no sorrow with it" (Proverbs 10:22). The question is, "what shall it profit a man, if he shall gain the whole world, and lose his own soul?" (Mark 8:36).

The point is that you don't have to engage in dubious acts because you want to acquire wealth. You can get wealth legitimately without engaging in bribe, fraud, or making any deal with satan, thereby, hurting yourself or anyone else in the source of true and lasting wealth (Deuteronomy 8:18). In order to get power to get wealth, consider the following principles.

BE A PART OF THE COVENANT BLESSING:

The Scripture is replete with the covenant of blessing (Deuteronomy 28:1-14). The covenant of blessing is an agreement between us and God. But first, you must be part of it before you can benefit from it. And to be a part of the covenant of blessing, you must accept Jesus Christ, the only Savior into your life. This is the beginning of supernatural blessings in your life.

MAKE GOD YOUR ONLY SOURCE OF WEALTH:

Listen carefully! if you really want God to give you the power to get wealth, you need to leave the old, wrong sources of wealth and cleave to God by making Him your only source of wealth. This means that you will not depend on or make anyone else your source. Understand that God can only use people as instruments to help you. Hence, deal with God directly because He's the source of true wealth.

SEEK AND TRUST GOD FOR YOUR WEALTH:

God knows how to give you wealth because He's the source of wealth. All you need is to seek Him in all your ways and trust Him to give you ideas and innovations about how to make or create wealth with your own limited

intellects only. Depend on God completely and He will direct your path (Proverbs 3:5-6).

LET GOD'S WORD GUIDE YOU:

The Word of God is a powerful instrument to get you wealth. It strikes like fire into your spirit-man, and sets you ablaze with faith. In the actual sense, when you study God's Word and apply it to your life, it kindles the fire of faith to prosper in you. Hence, give attention to studying the Word and applying it to your everyday life; it is the road map to prosperity. Always remember that "faith cometh by hearing, and hearing the Word of God" (Romans 10:17). Once you're saturated with the Word, it sets you on your toes to follow whatever instruction God gives to you.

DON'T BE LAZY; WORK HARD:

Note that God establishes Kingdom laws and one of such laws is that you must work or produce. Laziness produces nothing but poverty. The Scriptures affirmed this in Proverbs 10:4: "He becometh poor that dealeth with a slack hand: but the hand of the diligent maketh rich". And of course, if you don't work, you will not eat (2Thessalonians 3:10). This is why you must do whatever God lays on your heart to do with all diligence without giving room to any form of laziness. Note that hard work is a strong weapon to unlock the door of wealth.

DON'T FORGET TITHING; ALSO GIVE CHEERFULLY:

You must honour God with your tithe (one-tenth of your income) and offerings. These attract great blessings from God (Proverbs 3:9-10; Malachi 3:10-11). Also, give cheerfully to God's works, projects, and give to the needy and the poor. By these, you're investing into God's Kingdom. And God never owes any man. When you give to Him, He gives back to you in a greater measure (Luke 6:38).

DON'T FORGET GOD; BE HEAVEN CONSCIOUS:

Beware that you don't forget God by abandoning His commandment when He eventually gives you wealth. Don't ever think or assume you achieve wealth with your own strength and energy. You work to obtain wealth only through the wisdom and power of God. In other words, always remember that it is the Lord that gives you power to make, create, obtain, assimilate, and possess wealth. (Deuteronomy 8:17-18). Lastly, pursue wealth with godliness and eternity in view; don't love wealth or money than God.
